## Card Party Given by Narberth Sub-Juniors

The Sub-Juniors of the Woman's Community Club held a card party at Elm Hall on Monday evening. There were sixteen members present, and all had a very enjoyable time. The girls are donating articles for a Thanksgiving basket to be given to some needy family this year. Miss Kitty Jane Miller is the president of the club; recording secretary, Miss Dorothy Medius; corresponding secretary, Miss Dora Miller, and the treasurer is Miss Eleanor Jones. Miss Murie Wales is the publicity chairman, Miss Jane Chamness, chairman of the Program Committee, and Miss Marguerite Low, chairman of the Hospital Committee. Mrs. L. Parker Miller and Mrs. W. H. Muller are the advisers and are members of the Senior Club. On next Monday evening the Board of Directors will hold a business meeting at the home of Mrs. W. H. Muller, Narberth Hall Apartments on Essex Avenue, at 7:30.

## Life Net Employed by Humane Firemen as Meowing Cat Is Dislodged from Tree

A cat up a tree was responsible for considerable activity on the part of the Narberth Fire Company last Sunday. It seems the animal had been chased by a dog and sought the highest branches of a tree on Maple Avenue between Chestnut and Woodside Avenues, Narberth, as a place of refuge.

This would never have resulted in a call for the firemen had he (we assume it was a tom cat) not decided to perch there indefinitely and by his meows make a general nuisance of himself.

But Sunday at 1:30 P. M. the hook and ladder of the Narberth Fire Com-

## Lower Merion Faces Radnor Tomorrow

Thirty-first Annual Game to Be Played at Villanova Stadium.

## MAROON BIG FAVORITE

One of the largest crowds ever to witness a football game on the Main Line is expected to jam the Villanova Stadium tomorrow for the annual game between Lower Merion and Radnor, football rivals for thirty years.

The kickoff at 2 P. M. in this classic high school struggle will be eagerly awaited by some twelve thousand spectators, many of whom have seen the annual game between these two school elevens for a decade or more. This will be the first year the game will be played elsewhere than at Wayne or Ardmore.

While Lower Merion has far the better record this season, piling up over two hundred points in eight straight victories, the outcome of a Radnor-Lower Merion game can never be predicted with any degree of certainty. Radnor's season has been strewn with reverses, with the exception of a victory of Bryn Athyn Academy and tie games with Berwyn and Abington. None the less a victory over Lower Merion would go far towards redeeming an otherwise disastrous season for the Wayne team.

Dopesters have figured that on paper

## Bowlers in Collision

When returning from bowling with the Narberth Church League last Friday at 11:25 P. M. Harvey C. Keim and Howard Haws, in Mr. Keim's car were run into at the intersection of Windsor and Conway Avenues by a machine driven by Frederick Harvenson, 150 North Sixty-second Street, Philadelphia.

Mr. Keim's car, which was struck in the left rear fender, was considerably damaged and Mr. Haws was injured, being treated by Dr. Edwin C. Town. Harvenson's automobile overturned. The weather was misty and the streets were wet.

## Community Club Has Its Annual Luncheon

Mrs. Ross, Guest of Honor, Commends Club on Work.

## MOVING PICTURES SHOW

The Women's Community Club of Narberth held its annual luncheon in the club rooms at Elm Hall on Tuesday. Mrs. W. Russell Green, the president, welcomed the new members of the club.

Mrs. Abram Bunn Ross, chairman of Montgomery County Clubs, was the guest of honor and in her speech commended this club as being among the outstanding group in Montgomery County in the last year in their work as well as in representation at the various county and State and other district meetings which have occurred in the past month or so. Mrs. H. Prentiss Nichols, godmother of the club, was unable to attend the luncheon, but sent her best wishes for the growth and future of the organization. Besides the regular routine business, reports from the various committees were made and there is much promise of interesting events to come at various intervals throughout the year. Mrs. Neal Anderson, publicity chairman of the southeast district, and last year's chairman of publicity for the Narberth Club, reported that the members of the aforesaid club ranked 100 per cent. in the district.

Mrs. C. Fred Kuebler, chairman of music, and Mrs. C. Arley Farmer led in the singing of the Montgomery County and the State songs. Mrs.

## Dr. Rush Chapter, D. A. R., Held Meeting Monday

A meeting of the Dr. Benjamin Rush Chapter of N. S. D. A. R. was held on Monday at the home of Mrs. Robert Dothard at 2:30. Mrs. Hugh Glenn Martin, the Regent, presided and the delegates to the State Conference made their reports.

Mrs. E. C. Town had a display of articles from the Crossnore School, a mountain institution in a far-off corner of North Carolina. These articles, consisting of an assortment of towels, linen scarves, bags, pillows and baby things are beautifully made and are handwoven. The colors used are particularly attractive as the blues, greens and reds employed in the designs are dyed by the old-fashioned pot method used in the early days of our forefathers. The object of the chapter in selling these articles is to raise funds for the education of the descendants of our earliest patriots and, as some would say, the only real patriots in America. Anyone desiring a particularly delightful gift for a friend for Christmas should get in touch with Mrs. Town at her home, 200 Narberth Avenue.

## Main Line Orchestra in Concert Sunday

Mrs. John B. Thayer to Demonstrate the New Electric Theremin.

## AT ARDMORE THEATRE

The first concert of the 1930-31 season of the Main Line Orchestra Association will be given at the Ardmore Theatre on Sunday evening at 8:15 o'clock.

A feature of the concert will be a demonstration by Mrs. John B. Thayer, of Haverford, president of the association, of the Theremin, the new electrical device producing tones similar to the human voice by moving the hands within an electrical field of two rods attached to the instrument.

The orchestra of sixty trained musicians, under the leadership of Adolph Vogel, of Narberth, will play movements from the second and third symphonies of Saint-Saens and works by modern French composers.

Soloists at the concert will be Grace Lindeberg, pianist, and Dorothy Johnstone Baseler, harpist.

Arrangements have been made by the management of the association whereby Azpell's music store, Ardmore, will receive subscriptions and furnish tickets for the Sunday evening concerts of the orchestra at the Ardmore Theatre.

## Community Club Holds Its Annual Luncheon

CONT. FROM PRECEDING PAGE

Kuebler also had charge of the musical program and presented as her soloists Mrs. Laura K. Gilbert, of Drexel Hill, who sang "Morning," by Oley Speaf, and an Old English Pastoral, which greatly charmed her audience. Miss H. Van Dyke was the accompanist.

Miss Barbara Sutherland was the piano soloist of the afternoon and played two of Chopin's Preludes, which were enthusiastically received by the members.

Mrs. Ralph Dunne furnished the surprise of the afternoon by showing to the club members moving pictures of many of the members who were at the party at Valley Forge in May given by the Juniors to the Seniors.

The Hospitality Committee, of which Mrs. George N. Gill is the chairman, furnished a delightful luncheon and were especially thanked for their efforts in this affair.

Mrs. Edwin C. Town, of the Dr. Benjamin Rush Chapter of N. S. D. A. R. and also a prominent member of the club, introduced a novel display at the club on Tuesday which consisted of various handwoven articles for the home, bags and linens, which she is selling for the benefit of the Crossnore School, N. C. Mrs. Town has these articles at her home, 200 Narberth Avenue. The N. S. D. A. R. are interested in the attendance of this school because they are the descendants of the true patriots of America and the sale of these goods will help these inhabitants of a far-off corner in the Appalachian Mountains to gain an education. The aim of the Crossnore School is to cherish an almost forgotten art of hand weaving and old-fashioned "indigo blue dyeing." The warps of the articles are usually of cotton and many bright and attractive articles are made. There are coverlets or spreads in Martha Washington, Lee's Surrender and Parson's Beauty and other patterns, table covers, rugs for the bathroom, bags with handwoven and hand-tied fringe, line dresser scarfs, bleached or natural, and many other attractive useful articles for the home. The colors are green, blue, lavender, red and many other colors. There are certainly a wide variety of choice and the articles looked so fresh.

Mrs. John W. Joyce will conduct a small article table at every club meeting to raise money. Articles to be donated may be left on table to be purchased by some other member. No article is to be priced more than 50 cents. All donations will be gratefully received.

The first of a series of bridge teas will be held on Tuesday, November 25, at 2 P. M. These parties are planned primarily as social get-togethers of club members and new members are especially invited to come and get acquainted. The tables will all progress. Reservations should be made with Mrs. F. J. Wheeler, Narberth 2889; Mrs. C. A. Farmer, Narberth 3874-M, or Mrs. H. F. Stevens, Narberth 2856-W.

## Haverford Freshman Lose

George School were the victors over Haverford College freshmen in Saturday's football game by a score of 18-0. George School had been beaten only once this year and were too strong for the yearlings.

## Methodist Bazaar at Narberth Church, Dec. 6

The annual Christmas bazaar of the Narberth Methodist Episcopal Church will be held in the parish hall of the new church at Essex and Price Avenues, Narberth, on Saturday, December 6.

A feature of the affair is the turkey dinner, with everything from fruit cup

to dessert at a charge which is practically a mere pittance for such a spread.

The bazaar, which will last from early morning to late at night, will offer to those who are looking for something different for Christmas gifts, an unusual opportunity. Mrs. W. P. Himes, of 229 Wayne Avenue, Narberth, chairman of the bazaar, and her competent committees have been working steadily for several months in collecting, making and buying useful and attractive articles that will appeal to men, women and children. All articles will be reasonably priced.

## The Methodist Bazaar

The Methodist Church is completed. There's a debt on it to be paid. And that is the reason we hold a Bazaar.

For the money has got to be made. It is no easy task to hold a Bazaar, It means a great deal of work, But our people are all so loyal Nobody wishes to shirk. For Christmas gifts our prices will be Attractive as in the past.

The supper we'll serve may even excel The fine one we served at the last. Amusement there'll be for the young folks,

For the children a whole lot of fun, We invite all the parents of Narberth To bring all the kiddies and come. We hope that the date will suit you December the sixth is the time, So put on your best bib and tucker And come at five-thirty to dine. The money we need may come pouring in

In streams that will make us gasp. If enough to pay off the mortgage, Not another penny we'll ask. Our members will help us so gladly. And our friends, we know they will. We're sure that all Narberth must feel very proud

Of the beautiful church on the hill. Margaret L. Griffith.

## Christmas Club

members of the Narberth National Bank are due for a happy surprise this year: Christmas Club Checks are being mailed this week-end—one week earlier than last year's mailing. Why? Because:

1. To enable members to profit by the prevailing low prices.
2. To aid employment by a substantial and immediate increase of purchasing power.
3. And as a service to the community, which we regard as a banker's duty as well as privilege.

☞ The Narberth National Bank is thus releasing \$35,000 which will be a decided benefit to the entire community.

☞ Permit us to suggest that you do your Christmas shopping promptly: Buy from your Narberth merchants who stand back of every piece of merchandise they sell, and are offering them in many cases at exceptional values.

☞ Christmas giving should be all the happier this year, because dollars will do double duty—securing extra value and making jobs more plentiful for others.

## Antarctica Talk at Narberth M. E.

Lieutenant Mulroy of Byrd Expedition Will Give Lecture.

Would you like to go? With Lieutenant Thomas B. Mulroy, Chief Engineer of the Byrd Expedition? He is a mighty capable and interesting guide! Then be sure to keep Tuesday evening, November 25, free and come to Narberth Methodist Church at eight o'clock.

Lieutenant Mulroy will tell all the delightful, exciting happenings that took place during that 22-month trip to the bottom of the world, including many incidents not generally made public.

You will hear the adventures of the bark—"City of New York"—from the time it left on August 25, 1928, including the exciting rescue by Commander Byrd of his mechanic, Roth, from drowning when part of the Barrier Cliff collapsed; the anxiety when no word was heard for several days from Gould, Balchen and June, who flew to Rockefeller Range for geological studies—the wrecking of their plane and the severing of all radio communication. All the comical incidents that happened when the crowd got up the "Antarctic Follies" appearing "decollate" and quite stockingless! And many other events that will make you gay, and in turn, sad.

Actual photographs of scenes taken in Antarctica, of their base in "Little America," etc., will help to make this Travel Talk intensely interesting, and really it should not be missed by any one within miles of Narberth.

No admission will be charged. Only a silver offering will be taken.

The lecturer, Lieut. Mulroy, was born in Missouri, 35 years ago. He has been in the navy for quite a period, during and before the World War, and is noted for his daring and bravery. He accompanied Commander Byrd on his transatlantic flight, helped with the rescue of the Bremen Flyers at Greenley Island, and went with the Commander on the North and as well as this South Pole expedition. So he is naturally able to give first-hand experiences, and tells them in a very true and the pictures are being given vivid and graphic manner. ### LEWIS REICHNER, SR.

Funeral services were held on Wednesday at 2 P. M. for Lewis Reichner, Sr., from the residence of his son, Samuel V. Reichner, 344 Meeting House Lane, Narberth. Interment was at West Laurel Hill Cemetery.

Mr. Reichner, who was a prominent Cynwyd business man, died on Sunday as a result of a stroke suffered about a week before. He is survived by three sons, Lewis Reichner, Jr., of Wynnefield; Harry Reichner, of Ardmore, and Samuel Reichner, of Narberth. Mr. Reichner was the last of seven brothers, all descendants from an old Main Line family. His wife, Annie E. Reichner, died a few months ago.

### MRS. MARY PIERCE

Funeral services for Mrs. Mary Pierce, Highland Park school teacher, who died Sunday morning, will be held at her home, 401 Grove Place, Narberth, on Wednesday afternoon at 3 o'clock.

Mrs. Pierce, who was 56, died at the Delaware County Hospital from injuries received in an automobile accident as she was returning from school last Friday evening. Mrs. Pierce is survived by her husband, Edward E. Pierce, electrician for the Pennsylvania Railroad, and a daughter, Mrs. Mildred Pierce Fairlamb, the wife of John H. Fairlamb, assistant treasurer of the Real Estate Land Title and Trust Company, and a sister, Mrs. Albert Schweren, of Reading.

Mrs. Pierce had been a school teacher in Highland Park for many years and was active in the educational events of that institution.

## Main Lines

Editor, Main Lines Column:  
Sir:

May I suggest that you cheated your readers last week? In your news pages you printed an article about the destruction by fire of a "small shed" on the General Wayne Inn property.

It seems to me, in the face of the rapid passing of the flavor of ancient days in the Main Line, that you should have been more specific. The outbuilding destroyed was of the olden times before the advent of modern plumbing, and its loss was a real one to those possessed of sentiment for the old farm days. Would Chic Sale have been so modest as your reporter?

JEREMIAH WYNNE.

Thank you, Mr. Wynne, for all the details. We agree with you, but you know how it is.

\* \* \*

Heard on a Main Line train late one rainy Wednesday night:

"God help me if I hadn't worn a coat tonight. . . . Some party, all right. . . . Sure, I won first prize; isn't everybody could think of a masquerade costume like mine. . . . It cost me plenty, too. . . . Good looker, wasn't she? I've been rushing her all week. Met her Monday and invited her to the dance that night. Next night we went to the theatre, and last night to the movies. . . ."

"Oh, mother was furious—she won't let me have anything more to do with him. Reminds me of the day she acted last summer. In Paris we met such a charming count. . . . And in London! . . . Berlin? Oh, my dear, yes! He still writes me, but mother would be furious if she knew. . . ."

And so on, while the train's frequent sliding stops drown the chatter and bring welcome change of din to wearied ears. By the way, did you ever try to propose in a train? It can be done successfully, but it is not to be recommended for diffident suitors.

We wonder: How many sports writers know that the Merion Cricket Club is not in Merion? How many Philadelphia news writers are sure of their geography in describing that section between the Schuylkill and Lancaster Pike that lies near City Line? We have known instances when a resident of that section has been variously attributed, in one day's papers, to Merion, Bala, Wynnefield and Overbrook. How soon will that Lower Merion High School athletic field receive a fitting name?

Because many such fields are named after prominent and popular men, we respectfully suggest that no more fitting name could be given Lower Merion's than "Downs Field." It's short, and it pays tribute to S. Edgar Downs, the best school superintendent in the State—one who, aided by an unusually public-spirited and intelligent school board, has given Lower Merion's public schools—faculty and students—an understanding, friendly and highly efficient administration.

\* \* \*

England's unemployment situation, according to some authorities, is caused by over-population of the fair but foggy isle. The United States can scarcely claim this for a reason; as a matter of fact, manufacturers and producers attribute decreased production to the lack of demand. Very well, here's our solution of the problem: Let this country import ten million or so Englishmen (with a couple million Scots and Irish for a leavening influence) and settle them throughout the United States (including a few thousand in open parts of the Main Line). There will be more mouths to feed and more backs, heads, legs and feet to clothe, and ears to entertain, etc.—and the increased demand will bring increased production and employment in this country. For her part, England will have lost enough job-seekers to become properly affluent—and both Anglo-Saxon nations will have reason to be grateful to yours truly. If this solution doesn't work, what, we ask, have you to offer?

### Give the Suburbs a Break!

The Main Line is made up of a series of towns strung along the Pennsylvania Railroad. Transportation being the life-blood of suburban development, we may safely assume that the railroad is the reason for the existence of our communities, for at the time the section was growing there was little or no auto transportation; no busses.

But citizens are beginning to wonder if the very agency which created our community is not growing to be a deterrent. Not that the service is poor; it is efficient and adequate. The growing criticisms are based on matters of aesthetics and convenience.

In short, is not the time ripe, in fact overdue, for an improvement in station facilities, for more underpasses, for better bridges? Have not the facilities been outgrown and outmoded in the past half-century?

The stations which might have been considered gems of architecture in the gay nineties are now out of tune with the buildings which surround them; in fact they are a bit dowdy. The commuter of this modern day wants comfort and attractiveness with his transportation.

And the towns which lie along these tracks are in many cases divided unto themselves. In some cases they may prefer the cloistered effect permitted by a bifurcated village; in many cases it is a downright nuisance. In Narberth, for example, the motorist must either climb the dangerous bridge at Narberth Avenue or take a little voyage to Wynnewood Road to get from the North to the South Side, when the need has been seen for years of an underpass at Essex Avenue.

The cross-Merion traveller must go either to City Line, Overbrook, or Bowman Avenue to hurdle the tracks. Wynnewood has one underpass; Ardmore boasts three ways to get across—none too many for a business center.

The West suburbs are better off. Wayne will soon improve its tunnel at Wayne Avenue, but Berwyn and Paoli are in distress over the condition of their bridges.

The Main Line citizen who takes his out-of-town visitor to see the beauties of this marvelous region must blush as he passes the stations. With the exception of Merion, they all need the ministrations of a modern architect.

Millions are being expended in terminal improvements in the city of Brotherly Love. We are all getting used to the mysterious long tunnels at West Philadelphia and to the bathroom-tiled wonders of our subterranean terminal. We are proud of the growth of this tremendous improvement. But how about the suburbs? Must improvements on the Main Line be shelved for years on this account?

The community weekly papers of the Main Line met Tuesday to discuss this civic improvement, and are resolved to hold the plan in the public eye. The reactions of our readers are sought, in the hope that community pride will create an increasing sentiment for stations, roads and bridges in keeping with the beauties of the region.

Frankly, we believe that attractive and conveniently arranged stations would not only aid in the growth of the region, but would be a good investment for the railroad, for we are all inclined to use and support that in which we have pride.

### The School's Health Measures

Probably nothing has done quite so much to eradicate the dread disease, diphtheria, as has the immunization of children through the toxin-antitoxin treatment. Each year the parents of the pupils of the Narberth schools are given the opportunity to have this treatment given their children at a nominal cost of twenty-five cents. It is urged that this year all pupils be permitted to receive the treatment who have not heretofore had it. This will include children in the kindergarten, first grade and those above first grade who have not previously availed themselves of the opportunity. Dr. Sloan, president of the local Board of Health, will be in charge, assisted by Miss R. N. Heeney. The first treatment will be given Wednesday, November 26, at 9:30 at the school. The Schick test will also be given to those pupils who have already received the treatments in order to see whether or not the toxin-antitoxin inoculations were successful. Letters asking for "signatures for assent" will be sent to all parents of children who have not been treated or the treatment not completed. Anyone else who may be interested should call the school.

### Juniors Hear Interesting Talks About the Blind

The Junior Community Club of Narberth had a full and interesting meeting on Thursday evening, November 13, Mrs. Clifford Goodwin presiding.

The guests of honor for the evening were first, Mrs. Greaves, of the Greaves Royer School for the Blind at King of Prussia, and several of her pupils. Very inspiring, and a tremendous example of what can be accomplished against great odds if patience and fortitude play their parts, was the program which these blind pupils presented for us. Though all the pupils except one were totally blind, the charming presentations of vocal and instrumental selections which they gave were marked with an intensity of spirit and a value of expression lacking in many a less earnest group recital.

An additional talent of the school children was displayed when one of the pupils read with great feeling and expression an excerpt from "Mrs. Wiggs of The Cabbage Patch." Her book was not printed, but done in Braille, and her eyes did not read the lines, but her fingers, passing swiftly over the pages, gave the messages to her brain which her lips transferred to us. No one witnessing the wonderful results which Mrs. Greaves is obtaining through her unselfish and untiring work could restrain from a terrific gulp of emotion as she unfolded the tale of her difficulties in starting this unendowed school, but the rapidity of its growth and its ultimate recognition by social service organizations from everywhere must be proving a great source of satisfaction to her. Visitors are always welcome at the Farm-House where these children live, learn, and play, at King of Prussia, and if one is in search of a cure for self-pity it can certainly be secured there.

Miss Marion Beans, Junior State Chairman of Programs, next spoke about the many new and varied programs to consider in planning a club's yearly schedule and gave some worthwhile suggestions for our personal benefit. She urged all talented members to register with the Program Bureau being formed by the Allied Junior Clubs for the purpose of reciprocation of talent among the organizations of different counties and cities.

Refreshments were served and a social half hour ensued. The next meeting will be December 11th and an early issue of "Our Town" will describe the events planned for that time.

### Rummage Sale Under St. Margaret's Guild

Welters of Ware in Grandeur Rare  
Bespread in Sale of Rummage.

Old lace rooted from its lavender, styles of yester-year, of Knighthood's flower, only needing skillful shears to make them vie with current modes, and even not lacking in gown and garment which need no revision whatsoever to qualify for Broadway's best, the whole of it all making for a veritable Bagdad in Narberth, colorful combinations down to the very lingerie thereof, the latter, of course, brand and immaculately new, the exquisite and ineffably artistic handiwork of the ladies who hold forth at 105 North Narberth Avenue tomorrow, Saturday, the whole day long, and far into the night, conducting what they call, in that modesty which always adorns them, a Rummage Sale!

Plinian title, surely, for such a merry mart, this bewildering and bounteous welter of wares, tumbling stocks galore, a jolly-old bargain store, for the mate and his helpmate, their kith and kin, with prices plainly marked and so cutely calculated that a dollar, or its part, will do yeoman duty, react far down into the abyss of long ago, giving your money a great big show.

This big tomorrow day will be the last of the series, a continuation of the previous week-end, when, despite the weather, hundreds were served in a manner which urged them to ask for more, hence this final and greatest offering.

The affair is under the auspices of St. Margaret's Guild.

JANE A. MORRIS.

## Work of Community Health and Civic Asso. Outlined in Annual Report of Its President

The annual report of the President of the Community Health and Civic Association, William J. Serrill, was mailed recently to many householders on the Main Line. It summarizes the work of the Association under the departments of Health Service, Child Health, Housing and Improvement and Regional Planning and Zoning.

A park of about 100 acres in the territory north of Montgomery Avenue near Narberth and Cynwyd is one of the projects backed by the organization.

The complete report follows:

"Our community as a whole is only vaguely familiar with this Association which may be said to be its own. Its aims and purposes if known would be backed by every individual. Its work without doubt has made this section a better place to live in. Rich and poor alike benefit from its accomplishments—and it deserves the support of every resident of the territory it covers. These are broad statements, but they are made without hesitancy.

"The Community Health and Civic Association is a member agency of the Welfare Federation of Philadelphia. Originally incorporated in 1886, it was chartered under its present name in 1927 to take over the activities of the Main Line Citizens' Association, the Joint Health Service, and the Tuberculosis preventative work. Each succeeding year finds this Association through development and expansion and by means of even wider support, rendering a greater and greater service to the community. But ideals are never realized. Aims are never fully attained. And greater service continually reveals greater needs.

"Are many things of more importance to a community than its general health? Are there many other ways in which the levels and standards of living of any section can be raised than by constructive work in housing and improvement? Can an entire residential territory, and all its surroundings, be more definitely and permanently served than by wise and far-sighted endeavors in regional planning and zoning? Considering such activities of prime importance to any community, our efforts are directed principally along these lines.

### Health Service

"Policies of the Health Service are guided by the Health Committee, with assistance from a Medical Advisory Committee. The latter is composed of official representation from the Main Line Medical Society, East Delaware County Medical Society and the Thirty-first Ward Medical Society, Philadelphia. On the Health Committee—composed of our own members—are also represented the Lower Merion and Haverford Township Boards of Health, School Boards and American Red Cross. The nursing staff consists of a director of wide experience in Red Cross and public health nursing work, an experienced field supervisor and eight staff nurses. Under expert supervision these nurses gave bedside care to 1915 ill patients in their homes the past year, carried 3178 child welfare cases and made 20,106 visits. This nursing service grows steadily each year, more adequately filling the needs of the community.

"The Maternity Service has grown rapidly. At the present time 6560 visits are made in a year—for attention before or after or at the time of birth of the child. In little more than a year the delivery service has become an established part of the health program, now widely used by physicians in our territory. A nurse for this delivery service is available at any hour of the day and at night. In addition to the maternity work, skilled nursing care is given to the acutely and chronically ill, including communicable diseases. In this latter class nurses' visits total 6369 per year.

### Child Health

"Largely through the efforts of the Red Cross, Child Health Centers have been established and maintained at Ardmore, Bryn Mawr, West Manayunk, and some assistance given in

connection with the two other centers operated by our organization at Oakmont and Narberth. These centers aim to keep the well child well, to assure complete health preparation for school, to find any defects and attempt to have them remedied. With a physician and nurse in attendance, hundreds of children have been referred elsewhere for correction of defects. Follow-up visits of our nurses in this line of activity total about 5000 a year. The Child Health Centers function as an educational project in close co-operation with the Boards of Education, Women's Clubs and other local agencies. Child Health films are shown during Child Health Week. In such ways are we instrumental in safeguarding the young life of the community.

### Housing and Improvement

"Housing supervision is likewise a valuable service to the community. In spite of the seeming orderliness of this well-to-do community, our Housing Committee finds a large field of useful-

ness. Citizens must be made to recognize and remedy unsanitary living conditions. Dangerous street crossings must be brought to the attention of the proper authorities. Co-operation must be given the Fire Department in maintaining safe conditions in congested districts. Building codes must be maintained. Unnecessary noises must be kept down. Such is the work of this committee carried on with the hearty co-operation of the schools and civic organizations.

### Regional Planning and Zoning

"The citizens of Lower Merion, Haverford and Radnor Townships are fortunate in having efficient zoning ordinances. Hence this branch of our activities need not of necessity be a very active one. Regional planning, however, is of growing importance. Working in co-operation with the Regional Planning Federation of the Tri-State District, we have been active principally in favor of the establishment of parks and parkways. Our beauty spots, forests, wooded valleys and open spaces are fast falling before so-called "improvement." To save them we have made specific recommendation to our Township Com-

## Sergeant Wilson Has Served Lower Merion Force Since 1906

Enlisted in Marines When 21, Serving in Cuba and Philip-  
pines for Five-Year Term; Now in Bryn Mawr  
Hospital with Broken Leg.

The fourth of a series of articles to  
introduce the members of Lower  
Merion's splendid police force to our  
readers.

By Robert M. Cameron

Sergeant Horatio H. Wilson, who  
lives at 310 Parsons Avenue, Cynwyd,  
has a record of 24 years in the Lower  
Merion Police Department, having  
joined the force in 1906.

I found the sergeant one afternoon  
this week in the surgical ward of the  
Bryn Mawr Hospital where he was  
taken after suffering a broken leg when  
run down by an automobile while di-  
recting traffic at a fire in front of the  
new Penn Wynne School early last  
Friday morning.

"It's the first time I've been on my  
back," he said. Although the break  
was a bad one, the sergeant says it  
doesn't bother him and he is cheerful  
in the enforced idleness of the ward.

Wilson was born in Philadelphia on  
February 14, 1874. He attended school  
at what was known as the Five Points,  
on Ford Road, within a quarter of a  
mile of Woodside Park just over City  
Line. The old school building still  
stands near the filtering beds on Bel-  
mont Avenue.

Leaving school when 13, Wilson  
worked as a teamster until he was 21,  
at which time he enlisted in the U. S.  
Marine Corps. This was just at the  
time the Spanish War broke out and  
Wilson went to Cuba with his com-  
pany, serving under Smedley Butler  
who was then a lieutenant.

For three years Wilson was sta-  
tioned on the U. S. S. Alabama and  
saw service up and down the Atlantic  
seaboard and in the Philippines. In  
1902 his ship missed a volcano eruption  
in a South American port by one day  
which buried the town and destroyed  
shipping in the harbor. "The thing  
was smoking when we were there,"  
said the sergeant, "and it was lucky for  
us we pulled out when we did."

After serving his five-year period in  
the Marines, Wilson was in the con-  
tracting business for two years and  
with his brother built the chapel of the  
Sisters of Mercy Convent at Mont-  
gomery Avenue and Merion Road.  
Merion.

Then it was in 1906 he joined the  
Lower Merion Police force, which he  
has served faithfully and well ever  
since. He was promoted to the rank  
of sergeant on October 1, 1922.

"In those days it was the horse  
thieves which gave us the trouble,  
while now it's the automobile thieves,"  
the sergeant said.

"Did you have much trouble with  
the drunks before prohibition?" I asked.  
"No, there were two saloons in Ard-  
more then, the Red Lion and the Ard-  
more House, but they never gave us  
much trouble. In fact," the sergeant  
continued, "drunks cause us a darn  
sight more trouble now as we have to  
take them up to the hospital and get  
them pumped out so they won't die on  
our hands."

Sergeant Wilson has been married  
twice, his first wife, Margaret Pernell,  
died eleven years ago. He has one  
daughter, 14, by this marriage. His  
second wife is the former Mrs. Agnes  
Champion of Philadelphia.

Another member of the Lower Merion  
Police Department next week.

### School Gets Airplane Motor

The United States Army Air Corps,  
located at Middletown, Pa., has loaned  
to the Lower Merion schools one Lib-  
erty, model A, aircraft engine. It con-  
tains twelve cylinders and has 400  
horsepower. It is valued by the Gov-  
ernment at \$4600. This model will be  
studied by the boys in the auto-me-  
chanics department.

missioners, to our local governments  
and to our citizens. We have recom-  
mended to the Haverford Township  
Commissioners the securing for park  
purposes of practically the whole  
length of Cobbs Creek Valley which  
lies within that township. Through  
our efforts the Commission has formed  
a Park Board to consider our recom-  
mendations. In similar manner we  
have backed the project of establishing  
a park in a territory of about 100 acres  
lying north of Montgomery Avenue  
near Narberth and Cynwyd. We are  
heartily in favor of doing everything  
in our power to further the proposed  
parkway that, if approved, will connect  
Fairmount Park with Valley Forge  
Park; also the proposed parkway in  
the valley of Mill Creek. Such far-  
sighted endeavors are of permanent  
worth to every resident now and in  
the years to come.

### Where the Money Comes From

"The backbone of the sources of in-  
come of the Community Health and  
Civic Association is the Welfare Fed-  
eration of Philadelphia. We take an  
active part in the Federation's money-  
raising campaign. A contribution to  
the Welfare Federation may be looked  
upon as a contribution to the endeavors  
of this Association. Another very  
valuable source of income is the Main  
Line Branch of the American Red  
Cross, which raises its own funds at  
the time of the Annual Red Cross Roll  
Call—a great national organization  
most assuredly deserving of your full-  
est support. Other income is derived  
from our Christmas Seal Sale in Low-  
er Merion Township and receipts from  
our nursing work and from several  
special funds donated to further the  
aims of this Association. Lower Mer-  
ion Township pays the salary of one  
staff nurse and part of her transpor-  
tation expense. Haverford Township  
gives similar assistance.

### Narberth Theatre Notes

Herman Melville's classic of whaling days, "Moby Dick," is playing at the Narberth Theatre this Friday and Saturday, with John Barrymore and Joan Bennett. Far out in an angry sea, whalers grapple with monster whales in a combat to death, while home in New Bedford sweethearts pray for the safe landing of boats that seldom return.

This Saturday's matinee, in addition to the regular show, will feature another episode of "Tarzan the Tiger" and another Mysto Magic trick that will delight every boy and girl who attends the performance.

Commencing next Wednesday and Thursday, and every Wednesday and Thursday thereafter for twelve weeks, Narberth's playhouse will present, in twelve twenty-minute chapters, "The Indians Are Coming," a tale of red-blooded action of the old prairie days, with Tim McCoy and other stars.

Coming during December are "Holiday," "Grumpy," "Manslaughter," "Animal Crackers" and "Old English."

### Stages Jubilee

Celebrating a more than 22 per cent. sales increase for the year ending September first, compared with the previous year, Stromberg-Carlson radio dealers are holding a jubilee this week, November 15 to 22. The Wunder Battery and Electric Service, 108 Forest Avenue, Narberth, is joining the jubilee, as Main Line representative of the S.-C. Telephone Mfg. Co., and has several models in its new showroom. According to Mr. Wunder, "Manufacturing receivers in accordance with principles learned in the telephone science, from which many of radio's most important advancements have originated, has materially helped in maintaining Stromberg-Carlson leadership in the field of fine radio."

### Home Records for Christmas

A novel solution to the yearly Christmas greeting problem is advanced by Walter G. Case, of the Narberth Electric Shop, in the use of the home recording apparatus included in the new Victor combination radio-phonograph R. E. 57. With this device, which is a brand-new step, absent sons and daughters can send the season's greetings in their own voices to distant parents; sweethearts may exchange sentiments, and friends may "say" their personal messages in a modern way.

### New Chevrolet, Two Months Early, Is Displayed Here

Chevrolet's new car for 1931, priced substantially below current levels, went on display Saturday.

The models are being shown in the Kirsch Chevrolet Company showroom at 208 Bala Avenue, Bala-Cynwyd. Mr. Kirsch is distributor for Narberth and Bala-Cynwyd.

The models are on display nearly two months in advance of the customary date for the showing of the annual new car, in a move to aid the 200,000 people who depend directly upon Chevrolet for their livelihood.

Many new features are embodied in the 1931 Chevrolet, including easier steering, more durable clutch, smoother and quieter transmission, a fully insulated front compartment, the liberal use of rustless chromium plate on exposed bright parts, and a two-inch increase in wheelbase.

### Movies at Legion Monday

Motion pictures of the mining and marketing of coal will be exhibited by Ralph S. Dunne at the meeting of the Harold D. Speakman Post, American Legion, of Narberth, at the Community Building on Monday evening. The presentation of the movies which will follow the business meeting will commence about 9:30 and an invitation is extended by the Post to all interested to attend.

## Dr. Fulton Sheen Speaks on Friday Sponsored by Catholic Laymen Here

When the "movie" fans are told that Gloria Swanson or Jack Gilbert or some other idol of the screen will appear in person you can always figure on a full house. Perhaps we have all heard and seen this beautiful heroine or stalwart hero many a time on the screen, but still there is an attraction in seeing her or him right there with us, in the flesh.

And such would seem to be the case with our popular radio orators. We hear them, but we must see them if the opportunity is offered and such will be the case this Friday evening, November 21, in the great ballroom of the Bellevue-Stratford.

Dr. Sheen, the originator of the Catholic Hour, which, through the courtesy of the National Broadcasting Company, has sent his appealing voice to millions of people each Sunday night at 6 o'clock, needs little introduction. Those who have heard his talks on philosophy and science would judge him to be a man of three score and ten, but those who have seen him report that he must be under thirty and that it's just too bad that he is a celibate.

We are asked not to reveal the subject of Dr. Sheen's coming lecture, but the intriguing subject, "The Man in the Tree or the Man on the Tree," gives us a hint, as it doubtlessly does you, of a topic of universal interest today, which many will want to hear explained from a noted theologian's viewpoint.

Dr. Sheen is coming from Washington specially for this lecture in order to help a charity for which there is a crying need today. This is the St. Ignatius House for Homeless and Unemployed Men—an institution which is housing, feeding and caring for every man who knocks at its doors. There are never questions asked as to a man's race, creed or past history. The only requirements are poverty and unemployment. The institution is now dishing out 3000 meals a month absolutely free. Recently an enlargement was found necessary, hence the appeal to Dr. Sheen. Hence tonight's lecture.

The movement is sponsored by some forty Catholic laymen of Philadelphia and vicinity, two of whom are from our midst—Mr. Charles Decker, of Wynnedale Avenue, Narberth, and Mr. Karl H. Rogers, of 523 Baird Road, Merion. The latter is the treasurer of the organization, and from him tickets may be purchased. The lecture will be given in the Bellevue-Stratford's ballroom 8:15 o'clock tonight.

## Loyalty Crusade at Lutheran Church Making Progress

The second Sunday of the Loyalty Crusade being conducted by Holy Trinity Lutheran Church during the month of November under the direction of Dr. John E. Hommon, of Chicago, saw an interested congregation at the morning service at which time Pastor Senft preached a challenging sermon to the people. In the evening at the men's rally, which was also well attended, Mr. George H. Heppel challenged the men to greater activity in church work.

Next Sunday Dr. Hommon will be in charge of a Symposium. This service has been planned to arouse the curiosity of the people and ought to bring out the largest congregation thus far this month. The service is unique in that there will be no sermon.

## Bible Class Meeting

The Sunshine Bible Class of the Narberth Methodist Episcopal Church will hold their next meeting on Tuesday evening at 8 o'clock in the church parlors.

## Villanova Freshman

Villanova Freshmen decisively defeated the Valley Forge Military Academy football aggregation on Friday to the tune of 32-0. Villanova only needed five plays to carry the ball over for the first touchdown.

## PRINCESS SILHOUETTE

EXPERT CORSETTIERS TO ASSIST

THE princess silhouette is not so much a matter of extreme slimness of waist as of a waist measurement proportionately smaller than hip and bust measurements.

Nor is the more fluent line of the princess figure acquired by undue restriction of the waist, but rather by a comfortable restraint of all of the natural figure lines and the supporting of the bust at the natural bust line, which is the most markedly fashionable line of the figure today.

We are showing above two one-piece Princess models for the average figure. They are of firm corset baliste, boneless, and with silk-covered elastic over the hip sections. One model, finished at the lower edge with lace ruffle, is an especially lovely evening model. This garment has the lace uplift brassiere, the other has brassiere of net. Price . . . . . \$12.50

The third model, for the heavier figure, is of strong brocade combined with heavier elastic; and the lace brassiere is well boned. Price . . . . . \$12.50

### Children's Book Week at Community Library

Commencing Monday, the Narberth Library has been celebrating Children's Book Week, which is November 16 to 22.

All will admit that the Twentieth Century is a golden age for children, and this is especially true in regard to books. Today it is worth while for writers and illustrators of talent and genius to devote their best efforts to children's books. Their audience is large and fine. Their books will have a long life.

All week the library is exhibiting for the benefit of children, and all who are interested in children's reading, the books which have been brought together for their enjoyment. The tastes of boys and girls of all ages have been considered. Among the one hundred and twenty books in the exhibit are lovely, colorful picture books for the little ones. For the older ones there are stories of aviation and adventure, school stories for boys and girls and the ever popular mystery stories, as well as animal stories, Bible stories, books of poetry, biography, myths, legends and fairy tales.

Children as well as older people will be permitted to handle the books freely, to read them in the Library and enjoy the beautiful illustrations. In order to encourage them to do this, each child will be asked to vote for a favorite book.

Every one is invited to visit the library and examine the books. Many of them would make acceptable Christmas gifts. Miss Follette, the Assistant Librarian has prepared a very attractive list of the books, giving prices and publishers. The list is classified according to subject, and gives reviews of the books and sketches of the lives of the authors and illustrators.

The following are some of the outstanding books in the exhibit: "Stars Through Magic Casements," by Julia Williamson; "Twilight of Magic," by Hugh Lofting; "Moorland Mousie," by Golden Gorse; "Wonder Tales from Goblin Hills," by Frances Jenkins Olcott; "Singing Seamen," by Helen Coale Crew; "Dauntless Company," by Rupert Sargent Holland; "Thirty Fathoms Deep," by Commander Edward Ellsberg; "Charlemont Crest," by A. H. Seaman; "Robin and Tito," by Mabel Robinson; "Silver Shell," by Mary E. Chase; "Green Door," by Eliza Orne White; "Gay Goes Up," by Rose Fyleman; "Silver Wings," by Raoul Whitfield; "Timothy and the Blue Cart," by Elinor Whitney; "Washington Picture Book," by Lois Lenski; "Enchanted Button," by Marion Bullard; "Kees," by Marian King; "Angus and the Ducks," by Marjorie Flack; "Indian Twins," by Lucy Fitch Perkins.

### Highway Committee Reports on Work and Expenditures

The report of the Highway and Sewer Committee of the Narberth Borough Council as submitted at its meeting November 10 is as follows:

"Your Committee on Highways and Sewers submits the following report: During the month of October the Highway Department spent a total of \$1294 for labor. That expenditure was divided as follows:

"For collecting 1030 cubic yards of ashes, \$916.92; for street maintenance, \$50.85; for street cleaning, \$236.14; for repairing policemen's bicycles, \$7.20; for cutting weeds on empty lots, \$9.63; for collecting leaves from gutters and catch basins, \$73.26.

"There were no other items of expense during the month of October nor do we have any recommendations to make at this meeting of Council."

### Friends' Central Is Victor Over Montgomery School

Friends' Central concluded its football season on Friday by a 27-6 victory over the Montgomery School, at Sixty-eighth and City Line. The Friends' team scored thirteen points in the first period. Montgomery got their touchdown by a passing attack launched in the second period, Muller hurling the sphere to Enders, who ran ten yards for a touchdown.

Blaker, for Friends' Central, played an excellent game, and twice got away for good runs.

### A Charming Hostess

MISS LEONORA MULKIN daughter of Mr. and Mrs. Martin J. Mulkin, of Merion, who will entertain at a buffet luncheon on Saturday, November 29, in honor of Miss Louise Parvin Carwithen, debutante daughter of Mrs. Van Court Carwithen, also of Merion.

### Narberth School News

Toxin-antitoxin treatments for immunization of the children against diphtheria will be given at the Narberth School by Dr. George A. Sloan on Wednesday, November 24. School authorities hope that all parents will give their permission to have their children treated.

Mrs. Postelle's fourth grade gave an interesting program in the auditorium Thursday, November 6. It was a Book Week program, cleverly staged and arranged.

Armistice Day was observed by the silence period at 11 o'clock in memory of the fallen dead. At 2:45 P. M. the upper four grades assembled in the auditorium for a brief program, the feature of which was an interesting talk by the commander of the local American Legion Post, Frank Schrepfer. Mr. Schrepfer also showed a one-reel film depicting the glory of our own nation. Patriotic poems and music completed the program.

The school paper, "The Sun Dial," has been issued and seems to have proved itself interesting to the pupils of the school. They ask the co-operation of the parents and friends in order to put it across. The paper is a monthly, costing forty cents per year, five cents per copy. Have you bought yours?

### Episcopal Wins

Episcopal won its game with Chestnut Hill on Friday at St. Martin's, 9-0. Neither team could show much offensive push and engaged in a punting duel. Fine kicking by Slack, of Episcopal, gave his team the edge. In the fourth period, a well-directed punt by Slack went out-of-bounds on Chestnut Hill's one-yard line, and Harroun, of Chestnut Hill, punted only to his five-yard line. From here Clothier Jones tallied a touchdown for the Churchmen. Ghiskey added the extra point.

# PRESENTING THE NEW CHEVROLET SIX

Today the Chevrolet Motor Company presents the Bigger and Better

Chevrolet Six, a new model of the six-cylinder car which has enjoyed such wide popularity. In the chassis and body of this new six-cylinder Chevrolet you will find expressed, as never before, Chevrolet's well-known policy of progress through constant improvement.

For—without departing from the basic features which have won the enthusiastic approval of over 2,000,000 buyers—Chevrolet has set an entirely new standard of quality and value in the low-price field.

Your first impression of the new Chevrolet will be one of striking fleetness, grace and beauty. The car is longer, lower and modernly smart. The radiator has been deepened. The

long hood lines sweep back to blend gracefully into the new Fisher bodies. And never was Fisher's fine craftsmanship more evident than in the bodies of the new Chevrolet Six!

Not only are the bodies roomier and more comfortable, but as you study them you will discover many gratifying new features and refinements.

Mechanically, too, the new Chevrolet Six is a better automobile. The wheelbase is longer. The frame is stronger. The steering is easier. The clutch is more durable. There is a smoother, quieter, easier shifting transmission. In fact, wherever finer materials and more advanced design could add to Chevrolet quality or increase Chevrolet's traditional economy of ownership—improvement has been made. See the new Chevrolet Six—for here is the Great American Value!

## Time Out

BY TOMMY MACKLIN

A decade ago a Radnor team defeated Lower Merion by a 56-to-0 score in their annual football game. Tomorrow afternoon Coach Adam and his eleven star football warriors are aiming at a victory which will wipe out that tremendous score which was made when many of us had never heard of Radnor or Lower Merion.

Since that time neither side has run up tremendous totals, although seven years ago the Maroon downed the Radnorites, 23 to 0, and four years ago Radnor turned the tables by a 28-to-0 score. It is likely that either team would be satisfied with a victory tomorrow even by a small margin of one touchdown, or a point thereafter, but we are of the opinion that if Adam's team does not run up the largest total in history, then the squad is not doing the coach justice.

Lower Merion has one of the strongest eleven's ever to wear the colors of the Main Line High School, and Radnor, just the opposite. The Wayne boys have had little success this season, and although they will play their hardest tomorrow, it is not likely that they can hope to stop the fast, deceptive offense that Captain Pennypacker and his teammates will unfold.

Get your seats early, the battle starts at 2 o'clock.

Lower Merion's victory over Upper Darby last Saturday was another one-sided affair with the Maroon team doing most of the playing during the afternoon. Forty-seven to six for a final score, and it made just exactly 100 points for Lower Merion in their last two games. Norristown and Upper Darby were both expected to put up a strong fight against the local clan, but neither of them could do a thing to stop the terrific onslaught launched by Adam's team. Dave Ridge, versatile but slow fullback, contributed most of the points for his team. He scored four touchdowns and plunged over the line for two extra points.

Coach Dick Mattis' Junior High team won the suburban championship last Thursday when his well-drilled squad turned back a strong Radnor Junior High team by a 13-to-0 score. Mike Zengle, from Bryn Mawr, was in the thick of the fight and carried the ball fifty yards for the first touchdown late in the fourth quarter. He followed this by running the ball through

the centre of the line for a long gain to put the team in scoring position for the final score. Captain Harvey Buck and Mike Iechavelli contributed a lot of fine work during the game and were both responsible for long gains. Lower Merion had possession of the ball during the greater part of the contest and should have scored once or twice in the first half.

Fred DelPizzo, Lower Merion centre, played a whale of a game at the pivot position and his fine passing back kept the team in smooth working order. Link was Radnor's biggest threat, but he was kept pretty well smothered throughout.

Coach Adam will have plenty of good material to mould a new team with next season with so many good boys graduating from the Junior High School. They should furnish the Maroon with a star organization in another two years.

Abington could only tie with Radnor last week, and that makes Lower Merion champion of the suburban area for another year. It must have been a sad blow to Coach Snodgrass to have a weak team from Radnor hold them to a touchdown stalemate.

All out for the fireworks tomorrow!

## Inter-Academic Season Ends in Triple Tie

Friends' Central, Episcopal and Penn Charter are in a tie for the Inter-academic League championship as the result of Friday's games. Episcopal defeated Chestnut Hill at St. Martin's and Penn Charter won from the Haverford School.

Episcopal Academy has been the winner for three years. This year they bowed to Friends' Central and in turn the Overbrook Friends were defeated by Penn Charter. Inter-academic League rules provide there shall be no playoff, and the three teams will rule as co-champions.

Haverford School met defeat at the hands of Penn Charter by the tune of 14-6 on Friday under disagreeable playing conditions. The first score came quickly for Haverford kicked off and the Penn Charter lads made five first downs, with a holding penalty in between, in the march toward the Haverford goal line, then Captain Colson Hillier slipped through tackle and across for a touchdown.

In the second period, due to the forty-three-yard sprint of Captain Truitt, Haverford had the ball on Penn Charter's six-yard line, but a penalty forced them back and the ball was lost on downs. Lefty Lees, of Penn Charter, got loose and ran ninety-five yards for a score.

Haverford scored in the third period when after three straight first downs Rulon-Miller went over through the line for a score.

## Villanova Wins Game From Oglethorpe

Mike Terry, of Villanova, ran seventy-two yards for a touchdown in the first two minutes of play in the Oglethorpe game last Saturday, which Villanova won, 13-6. Terry's run was the biggest thrill of a well-played and interesting match. Villanova scored again in the second half when McLaughlin's pass to Captain Gardner placed the ball on Oglethorpe's five-yard line. Highfield then carried the ball over, by way of left end.

Oglethorpe scored in the last quarter when Dixie Walker scored from the six-yard line.

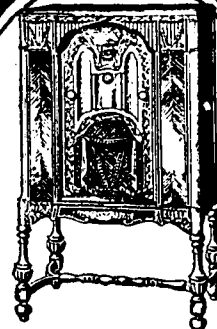

Villanova will meet Georgetown on Saturday. Villanova's record so far has been four victories out of eight games.

## Lower Merion Faces Radnor Tomorrow

CONTINUED FROM PAGE 1

Lower Merion has a good chance of bettering the largest score hitherto made by the Maroon against Radnor, which was the 23-0 game of 1923. But defeats suffered at the hands of other teams mean nothing to the Red and White of Radnor when it stacks up against Lower Merion. Powerful teams representing the Ardmore school have met defeat or been tied in the past by fighting Radnor teams. But regardless of the outcome, the game itself is bound to be interesting and colorful, for it is the great sporting event of the season for a majority of football fans from Overbrook to Paoli.

### The Fireside

The last two weeks of November are generally the festive weeks of the season as many of the young folks are returning home to spend their holidays. Bridge and many other forms of entertainment are the popular choice of the town folk and at this time, too, many visitors from various places in the country are being entertained.

Miss Genieveve Coleman, daughter of Mr. and Mrs. George B. Coleman, of Price Avenue, who has been spending eighteen months with her aunt, Mrs. William C. Thairwall, at the Hotel Hemenway, Boston, Mass., will arrive on Friday with her aunt and will spend the winter at home. Mrs. Thairwall will spend the week and Thanksgiving Day with her brother-in-law and sister, Mr. and Mrs. George B. Coleman.

Mr. and Mrs. H. L. Woehling, of Woodside Avenue, will have as their guests over the Thanksgiving Day week-end Mr. and Mrs. E. M. Stoddard, of New Haven, Conn.

Mr. and Mrs. Samuel Vance, Jr., of Anthwyn Road, will attend the Penn-Cornell game on Thanksgiving Day.

Mr. and Mrs. C. C. Bowersox and their daughter, Marion, of St. Louis, Mo., arrived on Thursday and will be the guests of Mr. and Mrs. Howard White, of Brookhurst Avenue, until Monday.

Mr. A. Albert Blaess, who is a student at State College, will spend the Thanksgiving week-end with his parents, Mr. and Mrs. August A. Blaess, of Elmwood Avenue.

Mrs. George C. Prior is spending a month in Worcester, Mass., where she is visiting relatives.

Mr. and Mrs. L. B. Edgerton, of Chestnut Avenue, will spend the Thanksgiving holidays in Columbus, Ohio.

Mr. Herbert J. Egmire, Jr., son of Mrs. Frances C. Egmire, 207 Dudley Avenue, recently won his football letter at Staunton Military Academy at Staunton, Va. Mrs. Egmire will entertain twelve at dinner on Thanksgiving Day.

Mrs. Clarence H. Woolmington, of Narbrook Park, has been appointed State Secretary of the Parent-Teachers' Association of Pennsylvania by Mrs. Laura S. Greenwood, the president of the State organization.

Mr. and Mrs. Horace Wanamaker, of Avon Road, were the host and hostess to the members of their bridge club on Saturday evening. Among those who were present were Mr. and Mrs. Clarence Kaeber, Mr. and Mrs. Arthur C. Staples and Mr. and Mrs. Frank W. B. Hunes.

Mr. and Mrs. Wanamaker also entertained at a party last Wednesday in honor of their son and daughter-in-law, Mr. and Mrs. Horace B. Wanamaker, of Overbrook.

Mrs. Bruce Byall, of "Oldwoods," Penn Valley, was the hostess to the Alumnae of the Philadelphia Group of the Pennsylvania College for Women of Pittsburgh, on Friday at her home. Miss Mary Brownson, a former professor of history at the College, now of Philadelphia, read a chapter from her book, "A Half a Century in Scotland," entitled "the Childhood of Mary, Queen of Scots." Among the out-of-town guests present was Mrs. Karl Lubrecht, of Hazleton, Pa., who was entertained by Mrs. Caryl E. Starr, of Merion Avenue, Narberth. The next luncheon-meeting of the Philadelphia Group of the Alumnae will be held at the home of Mrs. Caryl E. Starr, on Merion Avenue, on Friday, December 11.

Mrs. Starr and her daughter, Elaine, will spend the Thanksgiving holidays visiting Mrs. T. C. Cheesman, of Mission Hills, Pittsburgh.

Last week-end Mr. and Mrs. Jesse S. Harris, of Merion Avenue, were the chaperones for the Lambda Chi Alpha house party and senior ball at Lehigh University where their son, Robert Harris, is a student.

Miss Lois Smith, of South Narberth Avenue, entertained at bridge on Tuesday in honor of Mrs. Katherine Martin, formerly of Narberth, now of Chicago.

## A Happy Surprise for Christmas Club Members

Christmas Club Checks are being mailed to our Christmas Club members one week earlier this year.

This is done to

- 1—enable members to profit by the prevailing low prices.
- 2—aid employment by immediate and substantial increase of community purchasing power.
- 3—as a service to the community, which we conceive to be not only a banker's duty, but also a very pleasant privilege.

This bank is thus releasing \$250,000 which will be a decided benefit to the whole community.

Do your Christmas shopping promptly. Buy from our local merchants who stand back of every piece of merchandise they sell and are at this moment offering exceptional values.

Your Christmas giving will make you more happy than ever this year because your dollars will do double duty—securing extra value and making jobs more plentiful for others.

## Oysters and Reminiscences Hold Sway at Horse Thief Society's 93d Annual Supper

Visions of the old Main Line in the days of Athensville, Humphreysville, Libertyville and Merionville, of sleigh rides on the Wissahickon and pleasant winter evenings in the old inns were invoked at the 93d annual supper of the Lower Merion Society for the Recovery of Stolen Horses and the Detection of Horse Thieves. The affair was held at the Masonic Hall, Ardmore, Saturday November 8, and was attended by 165 members and guests.

Luther C. Parsons, of Cynwyd, president of the organization for the past fourteen years and a member for forty-seven years, presided at the dinner.

At the election which was conducted by ballot before dinner, Mr. Parsons was re-elected president. Other officers re-elected were Walter Latch, of Gladwyne, vice president; Richard J. Hamilton, of Ardmore, secretary; and Dr. Herbert R. Arnold, also of Ardmore, treasurer.

Although the meal is called a "supper" it is in the nature of a feast for oyster lovers. Oysters were served raw, in soup, scalloped and fried, not to mention turkey and chicken salad. As one of the speakers said, "if a horse thief should be reported over at the General Wayne, it is doubtful if a man present could get beyond Lancaster Pike."

But this ancient society now has no horse thieves to detect and its sole reason for yearly meetings is the spirit of friendship and common memory of the old days existing among its members.

J. Milton Lutz, president of the Upper Darby Horse Company, a similar organization which will celebrate its 107th anniversary next week, reminisced on the old days when sleighing on the Wissahickon was the great

winter sport and how Mr. Parsons used to be the first to reach an old hostelry along its sides and win a bottle of champagne for his efforts.

Many amusing stories and reminiscences of horse dealers were told by Judge George C. Corson, of the Common Pleas Court of Montgomery County. "I doubt very much," Judge Corson remarked, "if some of the 'horse thieves' present could hitch up a horse if he succeeded in making away with one."

### Many Tuition Pupils in Lower Merion Schools

Statistics on tuition pupils show that the Lower Merion School District has one of the largest outside enrollments

of this nature in suburban Philadelphia.

Figures showing the number of tuition pupils were released at a meeting of the Lower Merion School Board last Wednesday night.

According to Superintendent S. E. Downs the Merion School leads the list with twenty-nine tuition pupils registered. This is explained, in part, by the fact that Cynwyd borders on the Philadelphia line and affords an unusual advantage for city children to take advantage of Lower Merion Schools.

Other schools ranking high in tuition pupils are Cynwyd and the Junior and

Senior High Schools.

The grand total of tuition students is 407, including 11 students from Upper Merion Township and 308 students from Narberth.

The sum of \$28,835 will be derived from tuition paid by pupils coming from districts outside of the township.

The greatest tuition contribution comes from the Narberth students who pay \$23,100 for registration at the Junior and Senior High Schools.

### Chase of Wooden Steed to Be Lower Merion Horse Society's Farewell Effort

A last chase after horse thieves will be made by the venerable Lower Merion Society for the Recovery of Stolen Horses and the Detection of Horse Thieves whose annual banquet was held at Ardmore, Saturday November 8.

This concerns a wooden horse which used to stand outside a harness maker's shop at Fourth and Chestnut Streets, Philadelphia, and which has recently disappeared.

In announcing the quest of this wooden steed, which officers have decided shall grace the banquet hall at the Society's annual meetings, President Luther C. Parsons quoted from the Constitution and By-Laws of the ancient organization: "Whenever a horse shall be stolen from any member of this Society, such member shall be and is hereby authorized to employ the telegraph, at an expense not exceeding \$10, and to offer a reward, in the name of the Society, of \$30 for the recovery of the horse, and a further reward of \$50 for the detection and conviction of the thief. . . ."

## **Needlework Guild Holds Yearly Meeting**

**Garments Made by Narberth  
Branch Exhibited on  
Wednesday.**

### **GRENDEL WORKER SPEAKS**

Dainty and attractive garments of various descriptions made and donated by the Narberth Branch of the Needlework Guild were exhibited in the social hall of the Narberth Presbyterian church at the annual meeting of the Guild on Wednesday, November 12.

The total number of garments made and contributed this year were 3258, which in turn are donated to the various charitable organizations, among which are the Main Line Federation of Churches, Holiday House at Valley Forge, the American Legion Auxiliary, the Visiting Nurses, Miss Kershaw and many others.

The Junior Circle of the Needlework Guild donated nine exquisite baby baskets to the Visiting Nurse organization, each filled with a complete outfit for the new baby. Mrs. Robert L. Russell, of Chestnut Avenue, also donated a complete outfit for two boys, each seven years of age.

The Reverend Cletus A. Senft, pastor of Holy Trinity Lutheran Church, commended the women on their good work and opened the meeting with a devotional service.

Miss Martha Gibbons, of Ardmore, who has been with Dr. Grenfel in Labrador for the past six years, spoke of the splendid work the Needlework Guild of America has been doing in supplying garments to the various stations. Last summer Miss Gibbons was at the Indian Harbor Station, an island off the coast, where one had to depend upon canned food and powdered milk for food as the only natural resources are fish and berries. Supplies for these stations have to be ordered a year in advance of their need. A clothes store is run in connection with these stations and the demands upon it are great. Miss Gibbons earnestly urged the members of the Narberth Branch to become directors of these stations. She also said that, when possible, they should not donate the garments, but require some form of payment such as wood cutting, the picking of berries, fish in exchange or any of the things the natives make such as grass baskets, moccasins and other handicraft. Miss Gibbons said that the need for second-hand men's clothing was very great and a donation of such articles would be appreciated. Miss Gibbons also gave a vivid description of the life and the natives which kept her audience spell-bound.

Miss Caroline M. Hole, information secretary of the Philadelphia Health Council and Tuberculosis Committee, was the other speaker and enlightened the audience about the various departments of this organization. Never before until this year has this organization taken upon itself to clothe its applicants, but they are now and any nations that one may care to give should be acceptable. Miss Hole's talk was extremely interesting. Mrs. A. H. Durborow, president of the Guild, presided.

"The Clay's the Thing" is the title of a three-act comedy to be presented by the Senior Luther League of Holy Trinity Lutheran Church, Narberth, on December 3 and 4. The play promises to be a great success not only by having a very original plot but because all of the cast have had some previous experience in plays of this type. The cast is practically the same as that which presented the "Early Bird" last spring. Rehearsals are being directed by Mrs. S. J. McCartney, whose able direction made such a dramatic success of the "Early Bird." A synopsis of the play will be given next week.

The Bash-gai-haut Club will hold a meeting at the home of Miss Betty Bartle on Linwood Avenue, Ardmore, on Friday. This newly-formed organization consists of members of the Lower Merion High School. Miss Emily Titus is the president, Miss Jane Nash, the Secretary, and Miss Muriel White is the treasurer.

Miss Betty Ashman, formerly of Narberth, now of Germantown, gave a tea on Sunday in honor of Miss Wealthea Stark, of Boston, who has been visiting Miss Polly Palmquist, of Narbrook Park.

Miss Palmquist entertained at bridge on Monday evening in honor of Miss Stark. Among the guests were the Misses Jané and Betty Ashman, Mr. and Mrs. J. Folwell Scull, Jr., Miss Dorothy Vanderbeck, Mr. Richard Gillis, Mr. Albert Westerman, Mrs. William Roberts, Mr. William Dothard and Mr. Ned Wilcox. Miss Stark left on Tuesday evening for her home in Boston.

Mrs. William Horner, of 303 North Narberth Avenue, will be the hostess to the members of the Fortnightly Club this afternoon. The speaker at this meeting will Mrs. Roy Clark, who will talk on Gardens.

Mr. and Mrs. John Thomas Dalzell, of 11 Sabine Avenue, will return tomorrow after spending the past week as the guests of Mr. and Mrs. Frank Mahan, of Crafton.

Mr. Monroe Purse, of Elmwood Avenue, will motor to Hazleton, Pa., where he will spend the week-end. On his return trip he will be accompanied by Mr. and Mrs. J. H. Jacobs and their two children who will spend Thanksgiving week as the guests of his sister, Miss Betty Purse.

Miss Margarette Harshaw, of Windsor and Conway Avenues, was a soloist at the Young Women's Conference held at the Holy Communion Lutheran Church, Twenty-first and Chestnut Streets, Philadelphia, last Sunday evening. Miss Harshaw will also be one of the soloists in a musicale to be given in the Ontario Presbyterian Church on November 28 with Matilda Lehman, soprano, and Royal MacLellan, tenor. Friends of Mrs. J. A. Collee, of Dud-

ley Avenue, will be glad to hear that she is recuperating from her recent serious motor accident.

Mrs. J. Raymond Sharp, formerly of Narberth, now of Lansdowne, was the guest of Mrs. John W. Joyce at luncheon on Friday.

Mrs. R. K. Osmond and her son, Baker Osmond, of Concordville, Pa., spent the week-end as the guests of Mr. and Mrs. G. Howard Reese, of Hampden Avenue.

Mr. E. C. Griswold, of Chestnut Avenue, spent several days this week in Baltimore, Md., and Washington, D. C.

Mr. Edward Ross Proctor and his daughter, Mrs. E. P. Leahy and her son, Proctor Ross Leahy, of Ridgefield, N. J., were the guests of Mr. and Mrs. William B. Goodall, of Dudley Avenue, last week-end.

Mr. and Mrs. Walter Hunsicker, of Allentown, were the guests of Mrs. Hunsicker's parents, Mr. and Mrs. W. J. Kirkpatrick, of Essex Avenue, last week-end.

In the evening at the women's rally Mrs. A. Pohlman will bring the address to the congregation. The men did very well last Sunday evening, but we believe the women will do better.

On next Monday evening at 7 o'clock the church will tender a dinner to the men of the congregation and their friends. On Tuesday evening a dinner will be tendered to the women and their friends.

Those not members of Holy Trinity and without a local church home are cordially invited especially to these services, activities and dinners.

### M. L. Weekly Newspapers Resume

#### Free Ad Service for Unemployed

Free ad service for the unemployed is being resumed by the Main Line Community weekly newspapers this week.

Anybody out of work or employers in need of help are entitled to take advantage of this free service in any of the eight member newspapers of this group. An ad placed in any one of these papers and marked "exchange" will be circulated through the entire group with a paid circulation coverage of nearly 20,000 subscribers.

This service was inaugurated by the weekly newspapers six months ago, but for the lack of usage was temporarily discontinued during the summer months.

Decision to resume this service was reached at a meeting of the Main Line Community Weekly Newspaper Council early last week.

Unemployment ads for "Our Town" should be mailed or phoned to any office of the Livingston Publishing Company. All ads destined for exchange with the eight other community weekly newspapers of the Main Line should be sent in the first part of the week.

### Parent-Teacher Meeting Has Lively Discussion

The fog, rain and thunder storm on Monday night did nothing to dampen the spirit of the Parent-Teacher meeting of that evening and the great crowd present showed keen enjoyment of an excellent program.

After the opening "Sing," the Executive Board recommended the Association the adoption of a motion to purchase a new American flag for the auditorium. The motion was made and carried.

Miss Margaret Keiser, of Drexel Hill, gave the audience a rare treat in singing Joyce Kilmer's poem "The Tree." "Poems are made for fools like me—but only God can make a tree." Only God could have made such a beautiful voice.

Mrs. T. C. Hammond, of the Tower School of Wilmington, held the attention of her audience during every moment of her helpful and interesting talk on her work at Tower School where she is that very important link between the school and home. Mrs. Hammond told a little story to illustrate her duties and it is as follows: A worried and indignant mother came to complain that in six weeks' time her small son's disposition had been ruined. From a happy little child he had reached the point of daily tantrums. Mrs. Hammond in her wise way solved the mystery and found out what had caused the ruining of this sweet disposition. At home he had been petted and waited upon and at school his first training was that even if nothing else was accomplished his sweater was to be taken off and put on by a big boy who went to school and no longer needed a nurse, the big boy being himself. When he was helped at school with the sweater his good temper returned, of course. Mrs. Hammond's talk brought about a lively discussion which lasted until time for her train.

"Are Children People?" I once heard a small child ask, and nowadays parents are learning that they really are.

### St. Margaret's Guild Party

St. Margaret's Guild will hold a card party at the home of Mrs. J. M. L. Bickford, 517 Merwyn Road, on Friday, November 21, 1930, at 2 P. M.

The rummage sale held under the auspices of the Guild at 105 N. Narberth Avenue will be continued on Saturday, November 22, 1930.

### L. M.-Narberth Council Meeting on Monday

The Lower Merion-Narberth Council of Republican Women will hold a meeting on Monday, December 1, at the Lodge Tea Room, 396 Lancaster Avenue, Haverford, instead of the Green Lantern Lodge, Ardmore. The hostess will be Miss Kate Brusstar. Her telephone number is Bryn Mawr 1740-J.

The speaker of the afternoon will be Miss MacNally, of the Children's Bureau, and her topic will be "The Proper Understanding and Treatment of the Difficult Child."

Among the delegates to the State Convention held on November 12, 13 and 14 were Mrs. H. Tatnall Brown, the President, of Haverford; Mrs. Le Roy Douglass, of Narberth, and Miss Marion Calloway, of Merion.

Mrs. Brown is now one of the State Directors of the Council having been elected at that time. Governor Fisher, assisted by his daughter, Mrs. H. Tatnall Brown, gave a reception to the members of the Council on Wednesday and on Thursday evening Mrs. Brown was the toastmistress at the banquet held at the Penn Harris. Among the outstanding women at the convention was Mrs. Humbert Borton Powell, of Devon, chairman of the Resolutions Committee.

### Travel Talk by Samuel MacAdams and Songs Please

A travel talk on Ireland at the Narberth Methodist Church by the Rev. Samuel MacAdams, the pastor, and a native of Ireland, delighted a good-sized audience last night.

Over one hundred colored slides were shown and songs of the Emerald Isle were sung by the Methodist choir. Ernestine B. Bacon, soprano, and Dorothy Powers, harpist, were warmly received in several Irish melodies.

### Speakman Post Elect

The following officers were elected at a meeting of the Auxillary of the Harold D. Speakman Post No. 356, of Narberth, at the meeting in their headquarters on Monday evening. Miss Emma Mueller, President; Mrs. Robert C. Collins, 1st Vice President; Mrs. John A. Mowrer, Sr., 2nd Vice President; Miss Edith Hewitt, Treasurer; Mrs. Earl Dickie, Historian; and Mrs. Robert Ross, Sergeant-at-Arms. Plans for the Christmas work and also plans were made for a sauerkraut supper in the near future.

## For the "Wee" People

An attractive Doll House not only gives pleasure to the children, but meets the requirements of the "Buy Now" Campaign. It requires no suburban lot, nor the services of an architect, nor even a heavy expenditure. It can be made of thin Lumber or Wallboard, such as Upson or Presdwood. The latter is especially recommended for its rigid qualities and brown finish.

We can supply all the materials, including glue, paint, glass and hardware. There are other plans in our Library, and it is always at your service.

### HOLIDAY HOURS:

From December 1st until after Christmas, our yard will be open on Saturdays until 3 P. M. The office and Display rooms every Friday evening until 10 P. M., and other evenings by appointment.
